JUMBO FRESH CHICKEN

FEATURES AND BENEFITS

If you've been searching for Jumbo Fresh Chicken, you've come to the right place. Townsend® is proud to be a leader in the production of Jumbo Chicken. We were one of the first companies to "go big" with our birds. Our experience shows in every case we produce.

We are pleased to offer Jumbo WOGS, Bone-In Parts, Random Boneless Breast and Sized Portions, Wings and Dark Meat items. Not only do we offer these items in conventional form, but we also have a complete line of Antibiotic Free Chicken products.

Additionally, Townsend® also offers a line of Asian Food Service Roaster products under our Ruby Dragon™ brand as well as a line of Certified Halal Chicken.

Townsend fresh products are available in Controlled Vacuum Packed (CVP), CO2 Frozen and Ice Pack. Townsend is pleased to offer a full line of fresh chicken, packaged to fit your customers needs.
