# CHICKEN WINGS

## Features and Benefits

- Perfect additions to your appetizer menu.
- Fully cooked for quick preparation and food safety - no risk of undercooked wings!
- Reduction of cross contamination issues.
- Consistency - pricing, quality, sizing and flavor
- Menu versatility - uses for appetizers, platters, buffets, catering and more.
- 1st & 2nd joint wings - A natural mix of drumettes and wingettes.
- Individually frozen in foodservice friendly packaging. Use a few pieces or a whole case.
